SPRING PROGRAM

Monday, April 7 &
Tuesday, April 8

All children in the 3's, 4's and Transition classes will participate in a Spring Performance. Parents are invited to join us in the Burns' Chapel at their child's scheduled time to watch them perform. Your child's time should be listed on their April class calendar.

All attendees can enter at Entrance 6. The Burns chapel will be on the right as you enter the building. Entrance 6 can be accessed by parking in the lot at the corner of Rennie and Kingsland Blvd. You will follow the sidewalk in front of the church toward Entrance 6 where the fountain is located.

MAIN IDEAS

Our curriculum focus for this month will be transportation, farm & farm animals, Easter, policemen and gardening and growing plants. Children learn scientific concepts through real experiences. Our program promotes the development of the processes that are integral to science: observing, classifying, communicating, measuring, inferring and predicting. A young child's natural curiosity and willingness to explore new things make the preschool years the perfect time for having fun with science.

VOCABULARY: Helicopter, jet, hen, rooster, chicks, caterpillar, cocoon, chrysalis, butterfly, cultivate, root, blossom, petal, stamen, and words used in police work will also be introduced this month.

COLORS: Lavender, purple yellow

HELPERS: Clergy, farmers, airline pilots, bus drivers, and gardeners

MANNERS: Church manners, prayer manners

SHAPE: Oval

BIBLE VERSE: "He is not in the tomb, He is risen."
Matthew 28:5

FIELD TRIP

All 4's and Transition Classes will attend a field trip to the Oil Ranch on **Wednesday, April 23rd**. Parents will be required to drive their child and meet the teacher's at Oil Ranch for a great day of fun. Check your child's folder for more details.
