

# FEBRUARY 2025 NEWSLETTER

## IMPORTANT DATES

(check your child's calendar)

**Valentine Parties**  
February 12, 13, 14

**Student Holiday**  
Monday, February 17

**School Pictures**  
February 19, 20 & 21

## MAIN IDEAS

To be kind and thoughtful is such an important part of God's plan for our lives. One concrete way to show love and friendship is to exchange Valentines with friends and family. The whole process of sending cards to a loved one will be experienced. Creating a card, addressing and stamping the envelope, placing the card in the mailbox and learning about mail carriers as our community helper. This is also a great month to talk with your child about their address and phone number.

Many of our classes will talk about Abraham Lincoln and George Washington. The older classes may talk about George Washington Carver, Betsy Ross, and the American flag.

## VOCABULARY

Valentines, letter, stamp, card, post office, flag and United States of America

COLORS: Red, Pink

HELPERS: Postal Workers

MANNERS: Handling anger and frustration

SHAPE: Heart

BIBLE VERSE: A friend loves at all times.

Proverbs 17:17

## Valentine's Day Parties!

Your child's Valentine Parties will be a part of their regular school day. The children will have fun exchanging cards and eating pizza for lunch. The Valentine Parties will be handled by the teachers. Parents will be asked to send Valentine cards for each child in the class (see below), and possibly an additional food item. Watch for more information being sent home in the backpacks.

### Valentine Cards

The children will experience the custom of exchanging Valentines. All children are welcome to bring Valentines to school and "deliver" them to their classmates. We will not be giving out class lists. Simply leave the envelope blank and have your child "sign" the enclosed Valentine. Your teacher will let you know how many Valentines to prepare.

## Progress Reports

Three and four year olds will be bringing home their progress reports. Please review the report, then sign and return it to school the next time your child attends class. In May, the final progress report will be sent home for you to keep. If you have any questions or would like to schedule a conference with your child's teacher, please call the office at 281-579-9232 to set a date and time.

## Registration Update

Thank you for registering your child for the 2025-2026 school year! We had a great turn out, but we do have a few openings for next year. If you have friends or families looking for a preschool for next year we would love for you to send them our way. Registration packets will be sent home at the end of the month and will be due after Spring Break.
